25X1 21. [] LIAISON Called Gus Edwards, Administrative 25X1
Assistant to Representative Paul S. Tribble (R., Va.), and told him that while
the Congressman had declined to spend additional time at the []
25X1 [] on 15 November in addition to his dinner appearance, I wanted the
Congressman to be assured that if he could find an extra hour or two we
would be delighted to take him on a tour of the facilities. This was done
in response to a call [] 25X1

25X1 22. [] LEGISLATION Keith Raffel, on the staff
of the Senate Select Committee on Intelligence, called to say that the death
gratuity legislation will be included in the charter legislation which the
Committee is now drafting. He will be sending us drafts to look at within
the next week.

25X1 23. [] LEGISLATION Spoke with John Elliff,
on the staff of the Senate Select Committee on Intelligence, who asked that
we have a meeting with OLC, OGC and DDO (and anyone else as we deemed
appropriate) on Title II of the draft charter legislation (the rights of Americans
title). The meeting is tentatively set for the afternoon of Thursday, 10 November

25X1 24. [] LIAISON Tom Smeeton, Minority Staff
Consultant, House International Relations Committee, called saying that he
wanted to talk to somebody from OLC on a number of questions with respect
to current matters. Presuming that he was talking about the Representative
Edward J. Derwinski (R., Ill.) matter, I told him there was very little we
could say. He said that it was imperative that he speak with someone
no later than 3 November. I told him I would check into the matter and
get back to him.

25X1 25. [] LIAISON Left for Pete Bonner, Senate
Appropriations Committee staff, some suggested itineraries for visits to
overseas stations during the congressional adjournment. Bonner was in a
House/Senate conference meeting and I left word that I would get back to
him.
